

Dear parents and carers,

The Esther class bubble will be closed until after Easter. We will be doing online learning as of Friday 26th March, please complete the first page of your CGP books until then. We would like all children to access the online learning, however we understand that this may be tricky if you work or have a lack of devices. I would ask every effort is given so children can access online learning. They have missed lots of school and although it's not the same as class based learning, they do get a lot out of the sessions, because of this we have increased the amount of live lessons. They are all between 9 and 12 and can be accessed on any device that has access to the Internet.

Teaching Support Staff will be completing phone calls every other day. This is an opportunity for you to ask any questions regarding log-ins, Google Classroom or clarification on booklet work. If an issue arises please do not wait for the call, email us at year2@olsj.co.uk and we can support. **Please accept phone calls from withheld numbers as it may be us.**

In the afternoon please complete either a Science, Topic and RE activity.

Please ignore the dates on the sheets and refer to the timetable below.

For all live lessons please:

- Ensure your child has a whiteboard and whiteboard pen
- They are on mute
- You are within earshot and can see the camera and sound (but we do not expect parents to participate)

Please email year2@olsj.co.uk for any concerns or queries.

Below, please find the timetable for every day while we are working remotely.

Kindest Regards,

Miss Jackson and the Esther team

Friday 26th March

<u>Able to access online learning</u>		<u>Unable to access online learning</u>	
9:00	Morning Register and Shared Reading (Google Live) These will be text to you.	9:00	Home Reading Using a book from home, read it and create a poster about the main character, what are they like?
