

Summer 2 Homework – Year 3: The Docks of London

Core Homework

You must practise your spellings weekly and will be tested. Complete your maths instant recall facts weekly.	Practise your handwriting on https://www.letterjoin.co.uk/log-in.html  and complete your handwriting pack.	Complete your half termly project and RE homework project!
 Practise your times tables using TTRS or Maths Frame. https://ttrockstars.com/ https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check	Read for 20 minutes per evening and complete two Accelerated Reader tests a week. You can take a book home or use MYON! 	Use Numbots to support your Maths learning.  https://numbots.com/

This term in Year 3, we are continuing with the Docks of London. Here are some activities you can complete at home to support your learning. Choose three (or more!) activities you can complete as a family and tick the square after you have completed it.

Let's Get Dramatic! Come up with a piece of drama documenting the day in the life of a dock worker!	Health and Well-Being! Think about some of the goods that were imported from other countries into the UK. Can you do some cooking or baking at home with an adult using these ingredients? (Think: sugar, cocoa, spices...)	Geographical Explorers Use a map to find out about some of the countries where lots of goods are exported from. Can you create a fact file about one of these countries?
Writing Write a warning story set by a river. Use the features of a warning story and the skills you have learnt in class!		Français Can you find out how to say these words in French? - Docks - London - River - Boat - Cargo
Let's be Artists! Can you make a 3D model of a cargo ship?	Maths Research the five longest rivers in the world and write down how long they are in both miles and kilometres. Can you come up with some word problems about their lengths?	

RE Homework

Topic – Half Termly Project

Can you create a map labelling all the different docks of London? What materials could you use to make your map 3D?

Weekly Spellings

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
natural occasional actual accidental medical national capital vocal sensational personal	treasure measure pleasure enclosure closure leisure exposure pressure composure	creature picture nature furniture capture culture moisture future gesture structure	Lecture literature fracture miniature mixture puncture sculpture signature temperature texture	island answer write wrapper knife knock thumb doubt half calm	Build guide guard wheat whale honest whirl gnome gnaw surprise	Revision week

Your teacher will test you on these spelling every Friday. If you learn your spellings quickly, please email office@olsj.co.uk for more!

Maths Key Instant Recall Facts

KIRF Key Instant Recall Facts	Top tips																																																
I know the multiplication and division facts for the 8 times tables. Children should be able to instantly recall the 8 times table facts below: <table><tr><td>8 x 1 = 8</td><td>1 x 8 = 8</td><td>8 ÷ 8 = 1</td><td>8 ÷ 1 = 8</td></tr><tr><td>8 x 2 = 16</td><td>2 x 8 = 16</td><td>16 ÷ 8 = 2</td><td>16 ÷ 2 = 8</td></tr><tr><td>8 x 3 = 24</td><td>3 x 8 = 24</td><td>24 ÷ 8 = 3</td><td>24 ÷ 3 = 8</td></tr><tr><td>8 x 4 = 32</td><td>4 x 8 = 32</td><td>32 ÷ 8 = 4</td><td>32 ÷ 4 = 8</td></tr><tr><td>8 x 5 = 40</td><td>5 x 8 = 40</td><td>40 ÷ 8 = 5</td><td>40 ÷ 5 = 8</td></tr><tr><td>8 x 6 = 48</td><td>6 x 8 = 48</td><td>48 ÷ 8 = 6</td><td>48 ÷ 6 = 8</td></tr><tr><td>8 x 7 = 56</td><td>7 x 8 = 56</td><td>56 ÷ 8 = 7</td><td>56 ÷ 7 = 8</td></tr><tr><td>8 x 8 = 64</td><td>8 x 8 = 64</td><td>64 ÷ 8 = 8</td><td>64 ÷ 8 = 8</td></tr><tr><td>8 x 9 = 72</td><td>9 x 8 = 72</td><td>72 ÷ 8 = 9</td><td>72 ÷ 9 = 8</td></tr><tr><td>8 x 10 = 80</td><td>10 x 8 = 80</td><td>80 ÷ 8 = 10</td><td>80 ÷ 10 = 8</td></tr><tr><td>8 x 11 = 88</td><td>11 x 8 = 88</td><td>88 ÷ 8 = 11</td><td>88 ÷ 11 = 8</td></tr><tr><td>8 x 12 = 96</td><td>12 x 8 = 96</td><td>96 ÷ 8 = 12</td><td>96 ÷ 12 = 8</td></tr></table>	8 x 1 = 8	1 x 8 = 8	8 ÷ 8 = 1	8 ÷ 1 = 8	8 x 2 = 16	2 x 8 = 16	16 ÷ 8 = 2	16 ÷ 2 = 8	8 x 3 = 24	3 x 8 = 24	24 ÷ 8 = 3	24 ÷ 3 = 8	8 x 4 = 32	4 x 8 = 32	32 ÷ 8 = 4	32 ÷ 4 = 8	8 x 5 = 40	5 x 8 = 40	40 ÷ 8 = 5	40 ÷ 5 = 8	8 x 6 = 48	6 x 8 = 48	48 ÷ 8 = 6	48 ÷ 6 = 8	8 x 7 = 56	7 x 8 = 56	56 ÷ 8 = 7	56 ÷ 7 = 8	8 x 8 = 64	8 x 8 = 64	64 ÷ 8 = 8	64 ÷ 8 = 8	8 x 9 = 72	9 x 8 = 72	72 ÷ 8 = 9	72 ÷ 9 = 8	8 x 10 = 80	10 x 8 = 80	80 ÷ 8 = 10	80 ÷ 10 = 8	8 x 11 = 88	11 x 8 = 88	88 ÷ 8 = 11	88 ÷ 11 = 8	8 x 12 = 96	12 x 8 = 96	96 ÷ 8 = 12	96 ÷ 12 = 8	• The secret to success is practicing little and often. Use time wisely. Can you practice this KIRF whilst walking to school or during a car journey? You do not need to practice all aspects of the KIRF at once; perhaps you could have a fact of the day, or a few facts per week to practice? If you would like more ideas, please speak to your child’s teacher. • Use what you already know – if your child knows that 8x2=16, they can use this fact to work out 8x3=24. • Test the parent – your child can make up their own tricky division questions for you. • Double your fours – multiplying a number by 8 is the same as multiply by four and then doubling the answer. • ‘Five six seven eight’ – fifty-six is seven times 8.
8 x 1 = 8	1 x 8 = 8	8 ÷ 8 = 1	8 ÷ 1 = 8																																														
8 x 2 = 16	2 x 8 = 16	16 ÷ 8 = 2	16 ÷ 2 = 8																																														
8 x 3 = 24	3 x 8 = 24	24 ÷ 8 = 3	24 ÷ 3 = 8																																														
8 x 4 = 32	4 x 8 = 32	32 ÷ 8 = 4	32 ÷ 4 = 8																																														
8 x 5 = 40	5 x 8 = 40	40 ÷ 8 = 5	40 ÷ 5 = 8																																														
8 x 6 = 48	6 x 8 = 48	48 ÷ 8 = 6	48 ÷ 6 = 8																																														
8 x 7 = 56	7 x 8 = 56	56 ÷ 8 = 7	56 ÷ 7 = 8																																														
8 x 8 = 64	8 x 8 = 64	64 ÷ 8 = 8	64 ÷ 8 = 8																																														
8 x 9 = 72	9 x 8 = 72	72 ÷ 8 = 9	72 ÷ 9 = 8																																														
8 x 10 = 80	10 x 8 = 80	80 ÷ 8 = 10	80 ÷ 10 = 8																																														
8 x 11 = 88	11 x 8 = 88	88 ÷ 8 = 11	88 ÷ 11 = 8																																														
8 x 12 = 96	12 x 8 = 96	96 ÷ 8 = 12	96 ÷ 12 = 8

Handwriting

Tongue twisters 1

A tongue twister is a phrase or sentence that is hard to say fast!

Copy these tongue twisters in your best handwriting and try not to make your writing too large:

Six sharp, smart sharks.

She sees cheese.

Red lorry, yellow lorry.

Blake's bike brake broke.

Mixed biscuits, mixed biscuits.

Three free throws.

Crisp crusts crackle crunchily.

Quick cooks cook cakes.
