those of different faiths and  
beliefs**

# Democracy

**Britain is a democracy** – this means that the people in Britain vote for the people who make the laws and decide how the country is run.

If we didn't have a democracy, just one person might be able to make all the laws and that would not be fair.

# The Rule of the Law

In Britain we have a police force who make sure people do not do the wrong thing and break the law – this means that we are safe.

# Individual Liberty

In Britain, as long as **we do not break the law**, we can live as we choose to and have our own opinions about things.

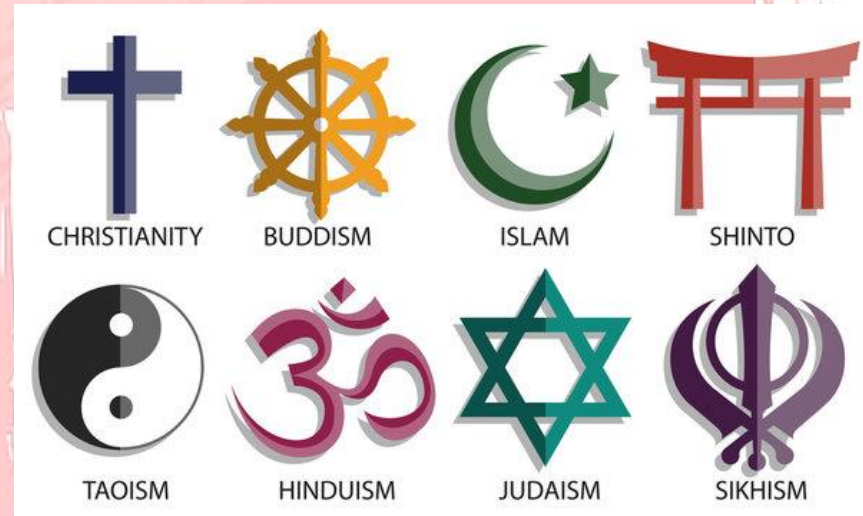

# Mutual respect and tolerance of those of different faiths and beliefs.

In Britain we accept that other people might have different beliefs than ours and they may believe in different religions.

We respect their beliefs and how they show and celebrate their faith.
