EDUCATION SERVICE

23rd November 2022

Dear Patrick,

I am writing to congratulate you and your whole staff team at Our Lady and St Joseph School on the outcomes of your recent Ofsted Inspection. How uplifting it is to read a report which begins by talking of your "welcoming and thoroughly inclusive" School.

The inspectors clearly recognised the high standards you expect of your pupils and the many different ways in which you help all of them to achieve these. It is a testament to all of your staff that the children are provided with experiences beyond the curriculum with trips and clubs and to see that they are so well prepared for Secondary School. That you have managed this whilst also making sure that your staff have the training they need to feel supported and valued in their work, shows great leadership from the Governors and Leadership Team.

Please thank everybody involved at the School for all that they are doing to provide the students with such a well-rounded, Catholic Education.

Yours sincerely,

Peter Sweeney | Director
