

OUR LADY & ST JOSEPH
CATHOLIC PRIMARY SCHOOL

Chaplaincy Team Spring 1
Mission
'Solidarity and Peace'

With Christ at our centre, we love, listen and learn.

Dear God,

Thank you for all the necessities we are lucky enough to have.

We are grateful for our friends and families, food on our plates, shelter, peace and love.

We call on Catholics and those who have enough money: the billionaires, millionaires and trillionaires to give the poor people of our world what they need.

We pray the government raise rich peoples' taxes as a step towards equality.

Let us show respect to other cultures and religions and never judge people for where they've come from.

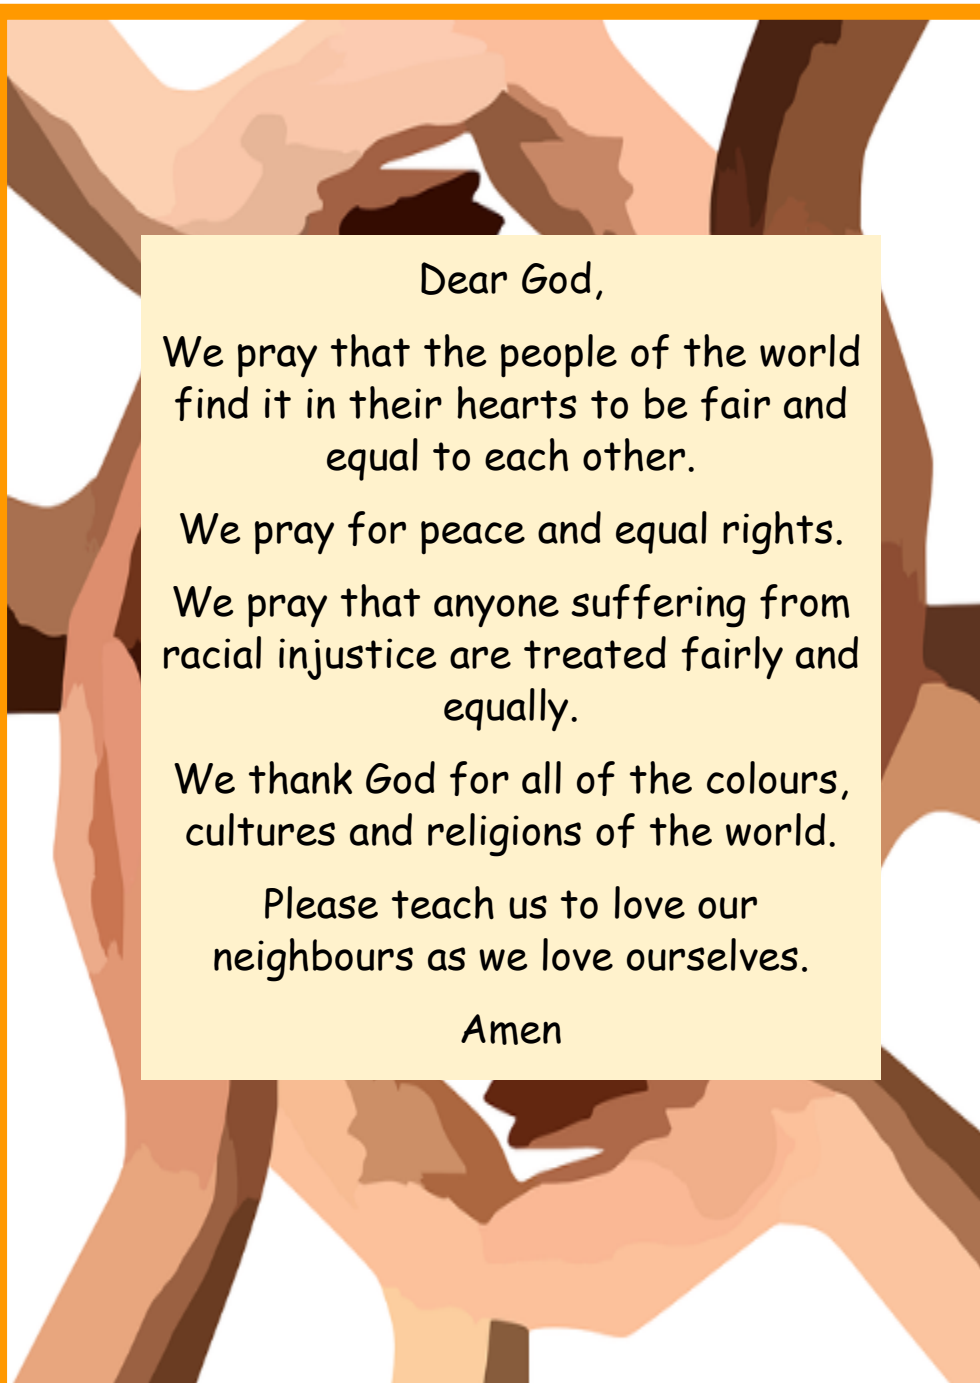

We pray that everyone has equal and fair access to healthcare and that it is free for all who need it.

We're sorry for destroying the environment, we hope we can start re-growing plants and not cutting down resources that damage the Earth.

We are sorry if we've ever judged people before, guide us away from quick judgements and towards compassion and understanding.

Amen.

Dear God, help people around the world who face discrimination. Help us to make this world a better place, by giving us the strength to be kind and charitable to all in need. Help the victims of discrimination to be strong too, to overcome the racism and hate they may face. Thank you for creating all of us humankind differently, but uniting us with the power of love. Give us the courage to treat people the way we want to be treated and remind us of all, of your love for us, despite our different colour skin or whoever we are. Don't judge a book by its cover.

Amen

Year 4 St John
Bosco

Dear God,

We thank You for the beauty of creation that surrounds us in nature and across the world. We are deeply grateful for the gift of family and for the countless blessings You have generously given us.

Lord, we ask for Your guidance to treat one another with respect and compassion. Help us to never judge or mistreat others based on the colour of their skin or any differences. As we witness the harm caused by racism and prejudice, we pray for Your intervention to bring an end to such injustices. Teach us to act with fairness, kindness, and love in all that we do.

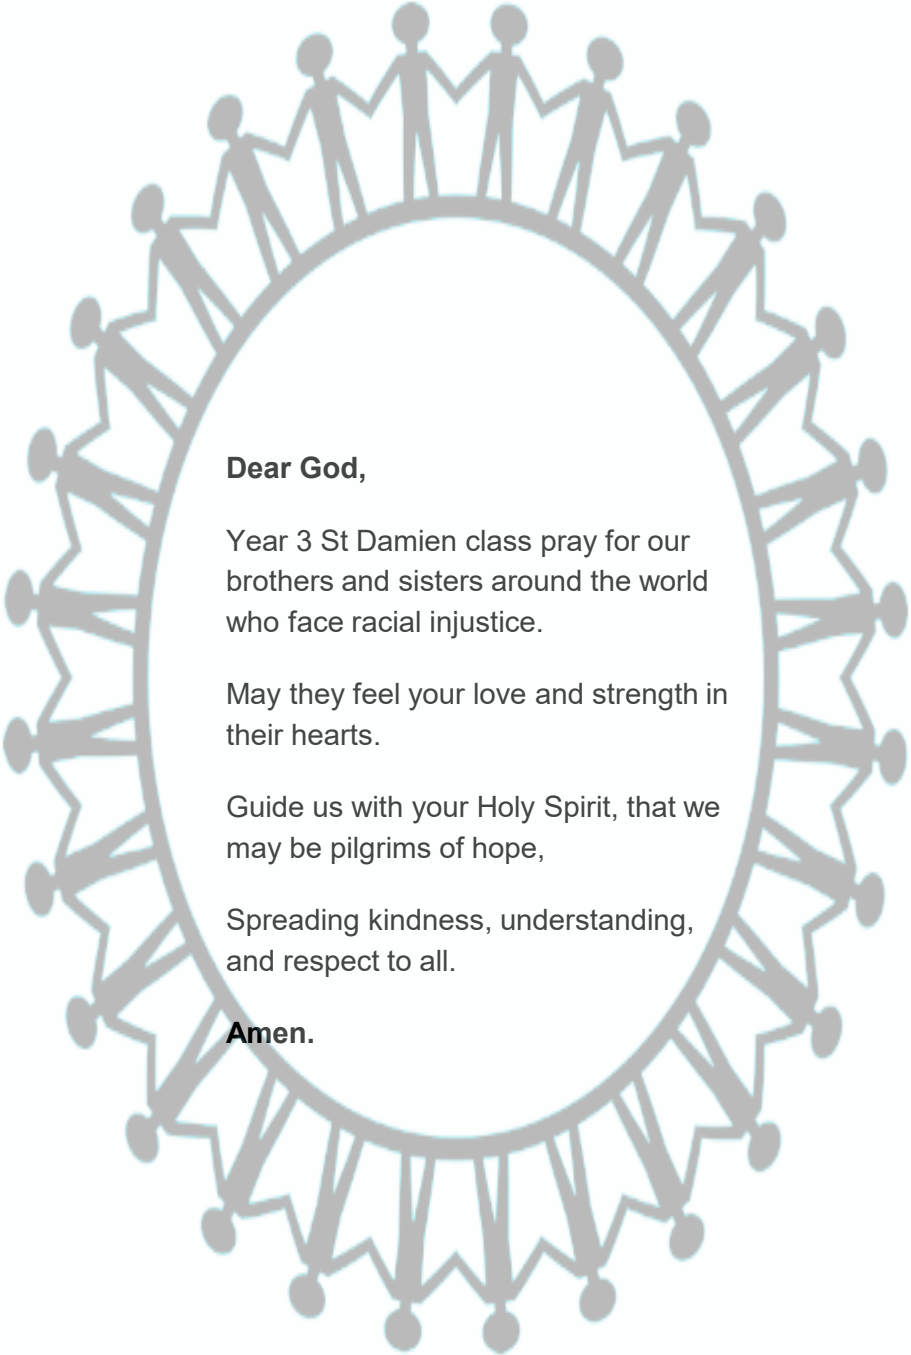

Grant us the strength to remain calm and joyful in every situation, and may Your protection keep us safe. Inspire us to greet everyone we meet with warmth and a genuine smile, celebrating the diversity that reflects Your creation.

In Your name, we pray.

Amen
